SKIN THERAPY

Spring 2010

# At McBlooms ...

We believe in nourishing the body from the inside out. Our products include only the finest natural and certified organic botanicals. Rich shea and cocoa butters... hydrating avocado, olive and sunflower seed oils... luxurious extracts of green tea, aloe, chamomile, rosemary and thyme.

Nature's best... from our garden to your skin!

## Cleanse, Soak and Scrub...

We offer six gentle ways to cleanse and polish skin from head to toe. Our products are made with aloe vera, jojoba oil and chamomile, rosemary and thyme, the healing herbs. This ensures the skin's normal pH balance is not upset. Bottom line, our products won't dry or irritate even the most sensitive skin.
